Re: Avery Landing, Idaho

Dear Mr. Graham:

Enclosed please find a one page document entitled "Avery Oil Mitigation Cost Estimate" which was prepared by Potlatch as an estimate of remediation costs for the oil contamination at the Avery Landing site. This document sets forth the entire cost estimate for the proposed cleanup according to Potlatch's attorney, Mike McNichols.

Please advise me as soon as possible whether your clients agree to participate in a cleanup of the Avery Landing site.

Sincerely,

Susan A. Burke  
Deputy Attorney General
